About

Enjoy spectacular sunsets over the Pacific Ocean at this 4000 sq. ft. Mediterranean style oceanfront villa, situated on the Bahia de Salinas, 45 Minutes south of San Juan del Sur in Nicaragua. Home has been meticulously designed incorporating modern architecture, natural materials, and a variety of luxury amenities.

This oceanfront villa is 2 levels with 3 master suites: 2 upstairs, 1 downstairs, all with private baths, air conditioning, and ceiling fans. Downstairs has a great room with double sofas and a separate dining area that seats 10 persons. Each floor has an outdoor lanais with chaise lounges. The home has been designed with panoramic ocean views throughout and there is a private walking path to the beach.

The home sleeps 6-8 persons comfortably. The downstairs master suite has a king size bed and a private ocean view bathroom with shower and separate oversized bathtub. One of the upstairs master suites has a king size bed and a private bath with dual head shower and double sinks, a sitting area with day bed, and an ocean view. Additional upstairs master suite has 2 queen beds and a private bath. bath with shower and tub.

Amenities

Two tiered double infinity pool, gourmet kitchen with stainless steel appliances, wine refrigerator, double oven, and dishwasher, laundry facilities, air conditioning, hot water, Egyptian cotton linens and towels, hair dryers, pool and beach toys, ocean kayak and surfboards, portable crib and feeding chair, beach towels, outdoor lounge furniture and hammocks.
